Business Insurances

Fees for Commercial Policies may be charged in one of the following ways:

- 1) Where we rebate commission to you and /or charge a Net Premium, an agreed fee may be charged instead.
- 2) Construction type policies may be charged a Flat Fee up to a maximum of €1,000 depending on the type/size of the agreed premium. Other Commercial Policies may be charged a fee up to a maximum of 40% of the premium, which will be agreed in advance.
- 3) If you have multiple policies with us an overall fee may be charged which will not be greater than 40% of the invoiced amounts.

All fees charged under the above categories will be advised on your Invoice and/or your Brokerage Statement.

Note: The fees outlined above:

- **Are in addition to any commission paid to us by the Insurer (except where a rebate is agreed as in 1) above).**

- **Are only indicative and may vary depending on the complexity of the product required. Any variation in fees will be agreed in advance and clearly stated on the Invoices / Brokerage Statement.**
