

Schedule of Fees and Charges

In line with Provision 4.56 of the Consumer Protection Code 2012, below is the schedule of our fees and charges.

Brennan Insurances may receive commission and other payments from product producers to whom orders are transmitted. We may also receive remuneration from product producers for marketing purposes or the profitability of business written.

We may charge you a fee for our services. Such fees will be agreed in advance and will be set out in our invoice to you. Where we receive commissions and charge you a fee, commissions received are not offset against fees.
